**Told A Story from Catarrh.**

Prof. W. H. Hayes, the famous mineralist, of Utica, N. Y., writes: "Some ten years ago I received a letter from a man in New York, whose family had been given me up as incurable, and said I must die. My case was such a malady, that every day, towards sunset, my voice would break, and I thought I could not speak again without a violent effort, and I could not swallow without difficulty, and I would sit a whole day, and eat nothing. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

**Constantly Hawking and Spitting.**

THOMAS J. RUSHING, Esq., 2302 Pine Street, Phila., Mo., writes: "I was a stout sufferer from catarrh three years ago, and had a hard, watery, and constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Lastly, I was advised to take Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience the healing results, and a permanent cure."
